

12.7mm/50cal Ferret

12.7mm/50cal Ferret

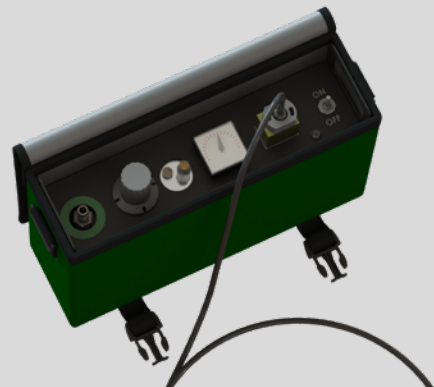

Introducing the smallest Ferret in the product range; 12.7mm/50cal automated barrel cleaning. This is a stand alone system which is small enough to be packaged in a shoulder bag weighing in less than 5kg. Available with a selection of specialist brushes in brass, nylon or stainless steel, the system is designed for use in the field or the workshop.

The most efficient and reliable way to clean your barrels, giving an even clean in a fraction of the time to enhance performance and accuracy.

For more information please visit www.airnesco.com, email us on info@airnesco or call us on 01622 850470.
